HELLO FELLOW HEALTH, PASSION AND CONSCIOUSNESS-SEEKING SUPPLIERS,

Our head office is located at 25 West Street Linden, Johannesburg where our products are available. Please visit our online shop on our website for retail shopping or come and collect.

Here are a few important **wholesale stars** to note:

- All the vegan dairy is sold frozen, unless requested unfrozen. Both are just as delicious, but the former extends shelf life to 5 months frozen. Probiotic activity continues after thawing! Isn't that wonderful also? If you wish to order unfrozen though, just let us know and set a day to collect/have delivered accordingly.
- Cream cheeses, sour cream and yoghurt's unfrozen/thawed shelf life is up to 10 days, product dependent and nut milks 3 days.
- All cheeses and yoghurts can remain frozen for 5 months from batch date and nut milks one month.
- Krauts have a shelf life of 6 months or more in the fridge. Just don't heat, freeze or double dip them to maintain their amazing probiotic properties.
- The patties can sit for 3 months in the freezer before use.

ORDERING:

- Please allow up to 7 working days for your order to be processed depending what you have ordered and what is in stock.
- Payment is **STRICTLY 30** working days. If there are any problems with this plan by the supplier, payment to us will revert to payment before delivery. All outstanding accounts must kindly be settled before a new order can be placed.
